## Our Promise —

*To provide best quality  
alternative care*

## *Our Promise*

Intercare Hospices promise to provide those clients facing terminal illness the best quality of alternative care.

Hospice is about living life to the fullest in a secure, respectful and compassionate environment. Comprehensive care, focused on easing the physical, emotional and spiritual pain that often accompanies terminal illness, is offered by the hospice team—our dedicated and specialized team of professionals.

## *Services*

In fulfilling Intercare's vision of being the

**"Heart of Excellence",**

Our Hospice offers:

- ♥ A warm and supportive living environment
- ♥ Flexibility and encouragement for clients, their families and friends
- ♥ Personal care and assistance with daily living activities
- ♥ Counseling services for emotional and spiritual support
- ♥ Educational opportunities for clients, families and the care team
- ♥ To work with the local community to facilitate a broader understanding of hospice life

## *The Hospice Team*

The team of professionals consists of

- ♥ Attending Physician, providing care in collaboration with the hospice team and in consultation with palliative care physician consultants.
- ♥ Registered Nurses and Licensed Practical Nurses focused on maintaining comfort, symptom and preventative management
- ♥ Care Aides to provide personal care and daily assistance
- ♥ Social Worker supporting families with personal, financial and community sources enabling the development of a support network and bereavement services
- ♥ Spiritual Coordinator offering spiritual direction
- ♥ Trained Volunteers providing friendly support, companionship, encouragement and assistance in activities of daily living
- ♥ On-call and twenty-four hour medical availability
